*Three pieces of high tea sandwiches on fresh baked bread, a scone,*  
*a dainty and a babycake, fresh fruit slices and a cup of tea!*

*"Few things are more decadent than settling down to an elegant lunch dedicated to indulgence.  
It should be all about lip-smacking sweetness, crustless sandwiches, freshly-baked crumbling scones,  
and, of course, a good cup of tea.*

*That is Afternoon Tea."*

*"Afternoon Tea can often be the perfect place for friends to catch-up, so I am  
always excited when a friend suggests it"*
